MINUTE ENTRY

The Court having reviewed both files in their entirety (this case was consolidated with FC 2001-007004) discovered neither party had filed a Notice of Appeal from the Peoria Municipal Court's order on 05/09/01 affirming the two Orders of Protection which had been previously issued by that court. Rather, Stephen Hoover and Lois Hoover filed Motions to Transfer the Domestic Violence Orders of Protection to this Court. A Motion to Transfer is not a Notice of Appeal. This matter was assigned to this Court as an appeal in error.
